## AIR Control Concepts Acquires MaRRS Distribution

Norfolk, VA – July 9th, 2025 – Today, AIR Control Concepts ("AIR") announces the acquisition of MaRRS Distribution ("MaRRS"), a leading commercial HVAC transportation, logistics, and warehousing solutions provider serving a multitude of customer segments and vertical markets around the world.

"This is an announcement we've been looking forward to for some time," said Hayden Bland, Chief Operating Officer of AIR Control Concepts. "The team at MaRRS has become an industry standard when it comes to shipping logistics for any project, big or small. We're excited to work in tandem to make an even bigger impact across the construction and commercial HVAC industries for years to come."

This latest acquisition represents AIR Control Concepts' continued investment in commercial HVAC and related industries that depend on the timely delivery of specialized systems from factories to job sites nationwide.

"Here at MaRRS, we've always believed our customer partners deserve reliable, high-quality value for their money when it comes to shipping and supply chain solutions," said Jim Thoele, General Manager of MaRRS Distribution. "This new partnership with AIR will allow us to continue strengthening our strategic logistical capabilities to better support customers in the future."
